APRIL 2007

Looking Down The Road...

A letter from the Director...

It's April, and you can tell that spring is here! The signs are everywhere, from the re-appearance of the orange construction barrels, to the friendly waves of the Liberty Tax people. But, the real sign of spring is the unmistakable rumbling song of the Motorcycle! I couldn't wait for that first nice day to come, so I could get out and get a little wind in my face and put the winter in the past. Man it felt great!

I hope the last month was good for everyone. The Doo Wop was a huge success. I want to give a big thank-you to Dr. Bob and Mouse, for putting it all together. I also want to thank all those who helped by bringing food, raffle gifts, or just being there to support our Chapter. And last

Don't Call Me "Ed"...

Kind of a sparse newsletter this month. As the brood gets older, there are more and more activities for them! Doesn't leave much time for newsletter writing, I'm afraid.

Dr. Bob now has the "keys" to the Chapter calendar on our website, and is putting new events online there. Be sure to visit http://AmericanLegionRiders.net/gc_m_alr and click the "Calendar of Events" link often to keep abreast of the activities he has in store for us. If you're not "internet enabled", look to "The Runs" at the end of each newsletter for the same information (assuming we know about it soon

but not least, thanks to the Post for donating the hot dogs.

Our next event is the April 3rd run to the Penrickton Center. This is a very special event for many of our members, so I expect to see a good turnout for the event. We will be meeting at the Penrickton Center at 1800 hrs (6:00pm), hope to see you there.

Just a reminder to all that are planning to go to Rolling Thunder: our immediately Past Director, Porky, has been chosen to be one of the Legion Riders to lay our wreath, at the Tomb of the Unknown Soldier. Congratulations to you Al, I know it's one hell of an honor.

enough to make the publication deadline).

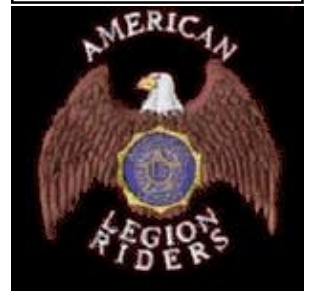

If you're waiting on a membership card, please have patience. The printer I use to make them is on the fritz, and I have not yet gotten a chance to work on it. I expect to have it back up and running in the very near future (my apologies!).

Also, I wasn't kidding last month regarding the need for someone to take over as newsletter editor. With the combined situations at home and at work, I simply can no longer devote the time this thing really needs anymore. I would appreciate a volunteer, rather than see the newsletter stop. Thanks.
